Dear Mr. Bill Thom:

My wife and I would like to thank you for selling our house in this frigid, cold weather in four (4) days at 98.2% of the asking price, a firm sale and with the right closing date!

We listed the property last year at the same price and certainly did not get the same tremendous traffic which we got through your multi-lingual ad campaign.

We certainly will not hesitate to recommend your service to my friends and neighbours.

The image shows two handwritten signatures in black ink. The signature on the left is more compact and appears to be 'Mr. Akar', while the signature on the right is more flowing and appears to be 'Mrs. Akar'. Both signatures are written over a horizontal line.
