Dear Bill,

I wanted to express my sincerest gratitude for the professionalism that you showed me in listing my condo which led to it being sold.

Bill was recommended to me by a neighbour and friend, she said he is the best in the business, so I decided to reach out to him. Although he was away on vacation, he still took the time to answer my message and to follow up with me upon his return. When we met, he explained the process to me very clearly, provided me with different strategies to sell the condo, at the end, upon his advice, I decided to list it "bottom up", and ended up selling it above asking price, not only that, it was on the market for only 4 days!!

Selling your home is not an easy thing, but thanks to Bill and his vast experience and professionalism, this experience was to me educational and stress free.

I would like to thank my friend for recommending Bill and now I feel that I need to do the same, so if you need to sell your home, just go to Bill.

Warm regards,
Haneen Najjar
