Re: Sale of 70 Gordon Rowe Cres

Dear Mr. Thom,

Teresa and I would like to sincerely thank you for helping us sell our home.  
Your expertise has been invaluable, and we are grateful to have had your help along the way.

Fourteen years ago, you first sold me this property and over the years it has been a pleasure to call this place our home.

When it came time to sell the house, your experience and knowledge of the market proved you were the ideal choice. We are extremely satisfied of the outcome.

Thank you again for the successful sale and for making the process seamless and stress-free.  
We will recommend you highly to our family, friends and neighbours.

Sincerely,

Haedong Kim M.D., Ph.D.
